in separation from the common author zacharias tanee fomum shares his personal journey of obedience to god s call to live a life of separation from the ordinary fomum s journey began with small steps of obedience like giving away his suits when god asked him to but it soon became a radical commitment to living a life different from what obtains in the world around him using biblical examples and others from church history fomum makes the case that all who are called by god to specific tasks are called away from the ordinary life and to uncommon lifestyle he argues that success and distinction come at a great price and that responsibility curtails a person s freedom fomum s book challenges readers to consider whether they are willing

to pay the price for success and follow the narrow way that jesus walked through his own story and reflections on the scripture fomum offers encouragement to those who are willing to heed god s call to a life of separation from the common he reminds readers that they can hear god s voice and that he will be their guide and helper on the path to success in him separation from the common is a challenging and inspiring call to a radical commitment to christ and a life that stands out from the crowd
